

# HISPANIC HERITAGE MONTH 2020

## Calendar of Events

The Latino Community Fund Georgia joins our members, partners, and community in celebrating our heritage and culture. This year brought a lot of difficulties to many of us, but we as a community, just like we have always done, we adapted and came together to overcome and help one another. That's something worth celebrating!

## **Annual Latinx Summit! - November 18**

**FREE! What does EQUITY mean in a social justice, social services, and philanthropic spaces?**

The pandemic is worsening historical inequities, and disproportionately affecting and killing Latinos and other people of color.

Centering on the need for racial equity, the movement for Black lives has reminded us that we, too have a role in the inequity and we are called to do better and BE better.
