

Hispanic / Latinx Heritage Month

Mes de la Herencia Hispana

Every year, we celebrate Hispanic Heritage Month. Although we know the contributions of this community are not contained to a single month, it is a time we can highlight and honor them a bit extra.

The community is diverse and backgrounds span over many countries, cultures, and languages. Each member of the community has contributed to the fabric of the United States as they have made the country their home. We celebrate them and remind everyone that their stories, traditions, and achievements continue to shape and strengthen our nation every day.
