BUILDING COMMUNITY.

Who We Are

Latino Community Fund (LCF Georgia) is a philanthropic and membership organization dedicated to supporting Latino-serving, governed, and led nonprofit organizations and the community as a whole through advocacy work, nonpartisan civic participation, health & wellbeing programs, technical assistance, grantmaking, and more. We provide direct services, invest in grassroots leaders, and work to advance equity across Georgia. In working toward our mission, we focus all our efforts on three key pillars:

- **Advance People's Democracy:** Through our efforts to advance people's democracy, we encourage, promote, and work to ensure that every individual participates in the democratic processes that exist in this country.
- **Protect and build community:** The Latino Community Fund (LCF Georgia), our members and partners, allies, community leaders, and volunteers are working together to create a more equitable and just Georgia for everyone that lives, loves, and works here, regardless of where they were born, what they look like, or what language they speak.
- **Expanding Economic Opportunity:** Through scholarships, programmatic grants, entrepreneurship seed funding, and disaster relief.

We welcome everyone! Our programs and services are available without the need for insurance, a Social Security number, or a driver's license.

ANNUAL SPONSORSHIP OPPORTUNITIES

By sponsoring our annual events with an all-inclusive package, you ensure prominent brand visibility and recognition across our website, digital platforms, and at the event itself.

Each sponsorship opportunity includes additional tailored benefits, such as a special year-end message from LCF Georgia staff on social media and an exclusive invitation to our donor appreciation cocktail in the spring where you get to meet and mingle with our likeminded donors and investors.

To accommodate your organization's preferences or reporting needs, we offer flexible payment options, allowing you to make your financial commitment in scheduled installments. We are also happy to create a custom package that meets your needs and interests.

EMBRACING OUR COMMUNITY

Latino Day at the Capitol

2/5/2026

Co-sponsored by several Latino-serving organizations and co-hosted with GALEO, this nonpartisan event celebrates the power of civic engagement and is open to all. Giving Circle

Membership in the LCF Georgia Giving Circle requires a committed annual investment in the organization's general fund, which directly supports our operations or can be directed towards one or more of the specific funds listed below.

As a member of the Giving Circle, you'll play a pivotal role in shaping community impact. 100% of each contribution is invested in the community through a democratic grant-making process, where members have the opportunity to review grant applications and rank them by priority. The total pool of funds available for distribution is based on the aggregate pledges made by Giving Circle members each year.

In 2024, we invested \$430,000 directly into individuals and community projects, with funds distributed through our partner organizations for tax compliance and accountability.

Membership starts at just \$85 per month or \$1,000 annually, offering you the chance to be part of a transformative initiative that empowers communities and creates lasting change.

Educational Scholarships

\$1,000 in need-based financial support, with a focus on individuals of Latino descent who are first-generation college students and have demonstrated leadership within their communities—whether through schools, neighborhoods, churches, or other local organizations.

Micro-Entrepreneur Grants

Financial support ranging from **\$500** to **\$1,000** for Latino-owned micro-businesses with limited access to other sources of capital. Priority is given to businesses with annual revenues under **\$50,000**. Please note, businesses in real estate, insurance, pyramid models, or those primarily engaged in reselling are not eligible for funding.

DACA and Naturalization Grants

Financial support to cover the filing fees for DACA renewals and naturalization applications for individuals living below the poverty level. This initiative aims to provide a critical pathway to protection and self-sufficiency for eligible community members.

Scholarship Endowment

We are working to establish the first community endowment to fund at least five **\$1,000** annual scholarships in perpetuity for first-generation Latino students pursuing higher education in Georgia. This endowment will create a lasting legacy of educational support and opportunity for future generations.
